## The Invisible String

**PATRICE KARST**

Illustrated by **GEOFF STEVENSON**

"That's impossible," said twins Jeremy & Liza after their Mom told them they're all connected by this thing called an "Invisible String." "What kind of string?" They asked with a puzzled look to which Mom replied, "An Invisible String made of love."

That's where the story begins. A story that teaches of the tie that really binds. Moms (and Pops) feel the tug whenever kids give it; and kids feel the tug that comes back: the Invisible String reaches from heart to heart.

Does everybody have an Invisible String? How far does it reach, anyway? Whether it's a loved one far away, a loved one in heaven, or a parent in the next room, this delightful book illustrates a new way to ease a child's fear of loneliness and separation.

**CHILDREN'S BOOKSENSE 76: "A wonderful story about the invisible string that connects loved ones."**

**WHOLE LIFE TIMES: "Some gifts are timeless and never lose their charm. A book like The Invisible String is one example."**
